

Surya OCR Test Page

This is a simple test document for Surya OCR engine.

It contains multiple lines of English text to verify OCR accuracy.

Line 3: The quick brown fox jumps over the lazy dog.

Line 4: 1234567890 - Numbers and punctuation test!

Line 5: Special chars: @#\$%^&*()_+~[]{}|;:,.<>?/

Page 2: Additional content for multi-page testing.

This page verifies that multi-page PDFs are handled correctly.

End of test document.
